“meat free since '83”

And they said it wouldn't last.

Thirty-plus years ago, vegetarians, vegans, and even those who simply wanted to eat more healthfully were somewhat of a rarity. And yet Mickey and Jo forged ahead with their vision of bringing vegetarian diner food (read, **comfort food**) to the Midwest.

Using the highest quality and locally sourced meat-free ingredients, The Chicago Diner has surpassed our clientele's expectations. Not only have we opened a second, thriving location in Logan Square, we've also adopted vegan versions of **all** our menu items in recognition of the fact that animal-free is continually gaining ground. Read more at www.veggiediner.com, and help us continue to make compassion the norm.

Sustainability

We use local, seasonal ingredients and produce. All cleaning products are eco-friendly and our to-go containers are bio-degradable. We also use only FSC and Rainforest Alliance certified office paper. We practice bio-diesel conversion of our waste oil.
